The applicant agrees to comply with all municipal ordinances and with the conditions of this permit, understands that the issuance of the permit creates no legal liability, express or implied, of the department, the municipality, agency, or inspector, and certifies that all of the above information is accurate. Failure to comply may result in suspension or revocation of this permit or other penalty. Commercial or buildings housing over two families shall have state approved heating plans with this application. Residential heating plans, heat loss calculations, and specifications of the equipment to be installed in new buildings shall be submitted with this application.

FINAL INSPECTIONS ARE MANDATORY. Please have permit number and address when requesting inspections. Give at least 24 hours notice.
