RE: Property located at 3920 W. Calumet Rd.

Dear Mr. Rome:

A recent inspection of your home located at 3920 W. Calumet Rd. disclosed the following violation of the Brown Deer Code of Ordinances:

Volume I, Chapter XI, Section 11-1.37 which states:

"The owner of any well which is unused, unsafe, or in noncompliance with any applicable ordinance or provision of the Wisconsin Administrative Code shall be abandoned in conformity to the provisions of Section N.R. 111.26 (4), Wisconsin Administrative Code as it now exists and as it may be amended from time to time."

The existing well on the property is unused and appears to have been in this state for quite some time. The well must either be abandoned in accordance with N.R. 111.26 (4) or it must be made operational to supply water to one exterior hose bibb only. You are required to notify the Brown Deer Inspection Department at 355-5220 when the abandonment or reconstruction will be taking place so an inspection can be conducted.

The above described violation must be corrected within thirty (30) days upon receipt of this letter.

Sincerely,

Robert G. Premo
Building Inspector
